

VICTORIAS MILLING COMPANY, INC.

April 5, 2017

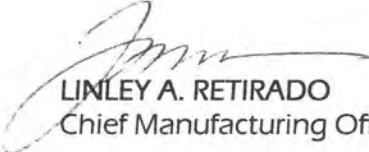

To whom it may concern:

Please accept this letter as my personal and professional endorsement of Carbo Solutions International LLC (CSI), a consulting and service provider based in Los Angeles California. CSI has been a valuable integration partner for Victorias Milling Company, Philippines and has earned our trust in providing their products and excellent technical services on the application of FRS-3 product for color removal.

We have also attended their technical conferences held in Bangkok, Thailand (2012 and 2015), Manila and Bacolod, Philippines (2015). I have found CSI to be world class in many ways. Their representation of CSI products and services has always been professional in every aspect.

Our partnership with CSI is exemplary of the model to which we would like our suppliers to aspire.

Yours sincerely,

LINLEY A. RETIRADO  
Chief Manufacturing Officer
